

Alderhill Farm Garlic

Prices in effect from September 12, 2009

Donna and Martin Gursky have been farming organically for 30 years on their beautiful acreage in Stanburne, Lunenburg County. You'll see Donna every Friday at the Mahone Bay farm market with gorgeous microgreens, broccoli and garlic.

This year we're fortunate to have Donna and Martin provide us with seed garlic for our gardens, and with culinary garlic for our kitchens. **Please note that this is a one-time offering; seed garlic needs to be planted soon!**

Culinary garlic—by the pound

\$8.75 per pound

Seed garlic—for the garden

\$2.50 per head

Seed garlic heads are large; most have 5-6 cloves.

Every piece of imported produce you buy erodes the ability of local farmers to stay in business. Choosing cheaper imported produce—even organic—is not less expensive in the long run, as it compromises local food security. Make the right choice—support Nova Scotia farming by buying from dedicated farmers like Donna and Martin Gursky.
