

Down East Cleaning Products

Prices in effect from January 2010

This Dartmouth, Nova Scotia company produces excellent scent-free cleaning products that are well tolerated by chemically-sensitive individuals, and suitable for everyone. All products are septic-safe and bear the EcoLogo seal of approval. Down East's new 4L containers are made right here in Nova Scotia from recycled plastic; this is a local product in many ways!

Down East charges a \$10 deposit policy on its square 20L containers; you may bring these to Ellora for a \$10 refund, provided they are clean, dry and empty, with all parts attached. You may also order Down East products in non-refundable round 20-L recyclable plastic pails. These pails are really useful in the garden.
