

Medway Candle

Prices in effect from February 21, 2010

Mike Bienstock keeps bees and makes gorgeous beeswax candles in beautiful seaside Port Medway, Queens County. You'll find Mike at the Bridgewater Farmers Market on Saturday mornings, and can now buy his lovely candles through Ellora.

Mike's tapers are all hand-dipped, and each candle has the sweet scent and golden colour of 100% beeswax. These are simple, beautiful candles with no paraffin added, and they're locally made to boot!
