

# The Soap Works

Prices in effect from March 2011

---

This small Ontario company makes pure, natural bar and liquid soaps, pet shampoo and septic-safe laundry products. All products are biodegradable, free of sodium laurel/lauryl/laureth sulphates, and are not tested on animals. For more details, visit [www.puresoapworks.com](http://www.puresoapworks.com).

If you're really into stocking up, I can get these bar soaps in large case lots. Please enquire about case pricing for your favourites.

---
